## HELICOPTER TRANSPORT SERVICES (CANADA) INC.

**Website:** [www.htsc.ca](http://www.htsc.ca)

**FYI:** Helicopter Transport Services operates two fixed-wing support aircraft and more than 60 helicopters of all types throughout the world. Luc Pilon, pilot and entrepreneur, founded the one-man, one-helicopter enterprise then called Nipissing Helicopters in North Bay, ON in 1976. Beginning with its expansion into Quebec in 1984, the company soon acquired northern Ontario's Huisson Helicopters (1988) and forged a partnership with Helicopter Transport Services in the US (1993). The company further expanded its Quebec operation with the purchase of Heli-Max, Ltee and, most recently, grew westward, acquiring North Central Helicopters in La Ronge, SK.

**Home:** Carp, ON

**Fleet:** Bell 206B, AS350 BA/B1/B2, Bell 206 LR/L3/L4, Bell 205, Bell 212, Bell 214 ST, Sikorsky S-58T, Sikorsky S-61N, Sikorsky CH-54A & S-64E, and Sikorsky CH-54B

**Services:** Helicopter Transport Services provides helicopter services to the forestry and mining industries that include mineral exploration, surveying, and operations support. It specializes in heavy exploration drill movement in the isolated mineral exploration environments around the world. Helicopter Transport Services continues to keep pace with the latest developments in airborne geological surveying, in addition to the transportation of prospectors, surveyors, and other professionals. It also offers fire suppression services and air ambulance (EMS) services.

## HELI-LIFT INTERNATIONAL INC.

**Website:** [www.helilift.ca](http://www.helilift.ca)

**FYI:** Bob Parker, Leon Marchinski and Eric Phillips formed Heli-Lift International in 1994.
